

NCFBC AVON FUNDRAISER

Now you can treat yourself to the benefits of using the wonderful Avon products and the Northern California French Bulldog Club will benefit too!

Thanks to our club member Rory Smith who has graciously offered to work with NCFBC through the Avon Fundraiser Program we are now able to offer our members and friends the opportunity to purchase Avon products while participating in this program.

Rory is an Avon Representative and with her knowledge of the company products will be able to advise you should you have any questions.

This is a great opportunity for members and friends to purchase Avon products and help the club at the same time. Through the Avon Fundraiser program the NCFBC will receive 30% of the proceeds from the purchases made.

And there will be no cost for the shipping of your order!

You may order from the regular catalog or there are special items that are offered at great savings that you can choose from as well. All these can be viewed if you visit Rory's website, and she is able to accept your orders there as well.

We are proud to be able to participate in this Avon Fundraiser and hope you will take advantage of this program. The Avon company is one that has been very successful and their products have long stood for quality and performance.
